

COLEMAN
STEWART

2X NCAA CHAMPION • 2X AMERICAN RECORD HOLDER
WORLD RECORD HOLDER

Coleman grew up in York, PA, with 3 older siblings. Having competed with his siblings in almost everything from board games to swimming, a competitive spirit developed. Coleman always wanted to be the best in his family when it came to swimming.

He has often been viewed as the "underdog", but enjoys the challenge and "over-performing" when it comes time to race. Coleman founded the Fifth Stroke Swim Camp to share his knowledge and develop youth athletes underwater abilities.

Coleman recently competed with the Cali Condors in the ISL's 2nd season. He currently lives in Raleigh, NC.
